## DESIGN FOR A TROMBONE

Reginald B. Olds, Los Angeles, Calif.

Application February 17, 1938, Serial No. 75,218

Term of patent 14 years

*To all whom it may concern:*

Be it known that I, Reginald B. Olds, a citizen of the United States, residing at Los Angeles, in the county of Los Angeles and State of California, have invented a new, original, and ornamental Design for a Trombone, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

Figure 1 is a view in side elevation of a trombone embodying my design; Fig. 2 is a detailed view in side elevation of one of the braces of the trombone specifically the brace indicated by the reference character **2** on Fig. 1;

Fig. 3 is a detailed view in side elevation of another of the braces of the trombone specifically the brace indicated by the reference character **3** on Fig. 1; Fig. 4 is a view in end elevation of the brace shown in Fig. 2.

The dominant features of the design are shown in full lines.

I claim:

The ornamental design for a trombone, as shown and described.

R. B. OLDS.
